Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Wednesday 28 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Further scattered showers, at times heavy and thundery.

Today:
Patchy cloud to start with scattered showers, occasionally heavy developing through the morning. Showers, locally heavy and thundery continuing through the afternoon, with some sunny spells between. Feeling cool with a breeze. Maximum temperature 20 deg C (68 deg F).

Tonight:
Heavy showers gradually easing through the evening, with some late spells of sunshine. Largely dry during the night with clear spells across the region. Feeling cool. Minimum temperature 10 deg C (50 deg F).

Thursday:
A dry start with sunny spells through the morning. Patchy cloud arising into midday, with an outside chance of an odd shower during the afternoon. Feeling warm in any sunshine. Maximum temperature 22 deg C (72 deg F).

Outlook for Friday to Sunday:
Often cloudy with some outbreaks of rain, perhaps heavy on Friday. Sunny spells with isolated showers on Saturday. Drier with sunny spells on Sunday, but still the odd shower possible.
